Metaphysics is the branch of philosophy that examines the fundamental nature of reality, including the relationship between mind and matter, between substance and attribute, and between potentiality and actuality. The word "metaphysics" comes from two Greek words that, together, literally mean "after or behind or among [the study of] the natural".

Metaphysics - Wikipedia

Building a great relationship with your suppliers might seem at times like navigating a minefield. The bond between a supplier and its client isn't exactly sacred, but it shouldn't be treated as a second-class priority either.
