control, loss aversion, and myopia—and transforms them into behavioral solutions. These solutions, or tools, are based on cutting edge behavioral finance research, and they have been shown to dramatically improve outcomes.

Books - Shlomo Benartzi

Download Ebook Save More Tomorrow Practical Behavioral Finance Solutions To Improve

Save More Tomorrow is a behavioral intervention pioneered by Richard Thaler and I that is designed to make saving for retirement as easy and painless as possible. The intervention consists of three central components. First, we ask people to commit now to saving more in the future. This helps them avoid present bias.
